Elementary School
Digital Regional Fair Schedule of Events

https://www.gwinnettsciencefair.com/virtual-expo/

February 19, 2021

Time	Schedule of Events
9:00 AM - 9:30 AM	**ES Welcome** • Schedule Overview • STEM Activity • Celebrations – Today is about celebrating YOU!
9:30 AM – 11:30 AM	**ES Project *Round 2* Judging Window** • Students that made it to *Round 2* of judging were notified through their school science fair coordinator on February 15. They received a pre-scheduled 10 minute interview slot and should access the link that was sent to their coordinator for the scheduled time. All other students should access the workshops following the welcome.
Available all day	**K-12 STEM Exploration Workshops** • Students can work independently (or in groups as appropriate) to participate in any of the STEM Exploration Workshops that we have available on the virtual conference site. These sessions are pre-recorded and highlight many STEM professionals in our communities. Students are encouraged to participate in as many as they can throughout Friday and into the weekend. Students should complete STEM Passport on site when finished to be entered into a drawing!
In lieu of an in-person award ceremony, an award ceremony video will be created to capture this year's winners and highlights. The video will be sent to school science fair coordinators and posted at www.gwinnettsciencefair.com and winners will also be announced through GCPS Media.
