

About Jackson EMC

Jackson EMC is the largest electric cooperative in Georgia and one of the largest in the nation with more than 239,000 meters across 10 counties in northeast Georgia. Half of the cooperative's meters serve areas in Gwinnett County. Headquartered in Jefferson, GA, Jackson EMC has offices in Gainesville, Lawrenceville, Jefferson and Hull. Our vision is to be the best, forward-thinking, innovative energy supplier providing a friendly and fulfilling work environment with a mission to exceed our members' expectations with reliable, courteous and personalized service.
