

# Student Success Stories

Nicole Pritchett (DO) explains how pursuing a degree in **Osteopathic Medicine** at PCOM Georgia will allow her to be a source of comfort for patients. She also shares about her experience working with high school students in the **Opportunities Academy**.

While serving in the Army, Nasheed Burgess (MS/Biomed) developed a passion for health care as he helped soldiers with health and wellness issues. Nasheed shares how PCOM Georgia's **Biomedical Sciences** program is preparing him to pursue a full-time career in medicine.

Nandi Rosier (PharmD) shares her inspiration for pursuing a **degree in Pharmacy** and how the PCOM School of Pharmacy's faculty and students encourage success.
